WELCOME TO OUR 13TH ANNUAL SUMMER SALE

Welcome to our 13th Annual Summer Sale. We are pleased to present a great line-up of 2023 drop White Suffolk ram lambs with Gemini-bred sires featuring heavily in this year's sale draft.

The 7 Specially Selected ram team offers astute buyers a range of superior genetics for those looking to add something extra to their flock.

We are pleased Gemini bred rams continue to have above average terminal ASBV's and a number who sit in the top 5% with their performance data backed by genomics.

Yearly DNA testing helps the stud build the accuracy of its breeding values and meat-eating traits such as IMF and Shearforce.

Gemini's breeding focus doesn't change – we aim to produce low birthweight sheep with lambing ease, sheep who are fast growing and structurally correct with heavy yielding carcass.

Despite some recent price movement in the lamb market, we are confident the long-term general outlook for red meat is very positive with the future favorable to those producers who are chasing the right profit drivers, as well as quality and quantity.

We look forward to seeing you on sale day and welcome inspections of any of our sale rams by private appointment.

SUPERWHITES

Gemini White Suffolk stud is a member of the Superwhites genetic improvement group of breeders who are focused on producing White Suffolk rams that contain the best genetics for prime lamb production.

The group has been in operation across Australia since 1995 and collectively produces around 3,000 rams annually.

Superwhites uses LAMBPLAN as a tool to aid in comparison of sheep across flocks as well as identifying the best genetics in Australia for use within the group.

The group foster excellent data quality with most members achieving Gold Status, the highest data quality standard within Lambplan.

By using link sires and progeny testing a young sire team each year, Superwhites flocks have strong across flock links, meaning that the LAMBPLAN evaluation within Superwhite flocks is more accurate.

Superwhites members are improving their genetics faster than the average of all terminal sire breeds for all commercially important traits.

GEMINI PRIME LAMB SIRES - AN INTRODUCTION

Gemini White Suffolk stud was established in 1993 by introducing White Suffolk rams to put over ewes from our previously registered Suffolk stud.

We have always maintained a strong focus on commercial attributes relevant to industry demands and client profitability.

Selection for higher growth and carcase yield through increased muscling improves productivity, while selection for easy care shape and sound structure results in lower costs and more live lambs on the ground.

We use a combination of visual classing and high performance selection through Lambplan to produce some of the highest quality and performing prime lamb genetics available in today's meat sheep industry.

Semen: Stud ram purchasers please note that Gemini maintains semen rights in all stud rams sold. This is for our possible within flock use only. Any semen that has not already been collected will be collected at our expense and the purchaser's convenience. Please contact us if you need further clarification.

Registration: In relation to rams purchased for stud breeding and registration, to protect our genetic integrity we will only be transferring and registering rams at our discretion, subject to price and quality. Please consult prior to making any such purchasing decisions.

Ram Lambs: It is our recommendation that on removing ram lambs from ewes you supplementary feed them for the following 6 to 8 weeks for a quick recovery and to ensure the longevity of your rams.

SHEEP PREGNANCY SCANNING - BOOST YOUR PROFITS.

PREGNANCY ULTRASOUND SCANNING BASED IN SOUTH WEST VICTORIA.

PLEASE CALL CHLOE MITCHELL ON 0448 270 817 TO REQUEST A SCAN.

**THE PRICE OF LOT 12 IN OUR SUMMER SALE WILL
BE DONATED TO THE DANNY FRAWLEY CENTRE**

POWERED BY **AIA Vitality**

The Danny Frawley Centre is a state-of-the-art, Mental and Physical Fitness Facility co-located at the home of St. Kilda Football Club, RSEA Park in Moorabbin. We aim to create a place of belonging and an all-inclusive community that understands the importance of mental health and the skills required to be mentally fit, face life's challenges and play life better.

While our centre is not only a proudly unique and game-changing asset to the Bayside region, we have created a space to celebrate and honour the life of Danny Frawley, immortalising his legacy as both a St Kilda Champion, as well as a passionate advocate for mental health.
